DETAILED ACTION

Claims 1-20 are allowed. The following is an examiner's statement of reasons for allowance: referring to claim 1, it would not have been obvious to provide a foldable support apparatus for electronic instrument or device, wherein the support apparatus includes a body, a first unit rotatably connecting to the body, a second unit having a first end and a second end, the first end of the second unit rotatably connecting to the first unit, and a third unit having a first end and a second end rotatably connecting to said body and the second unit respectively. Claims 2-9 depend, either directly or indirectly, from claim 1 and are therefore allowed for at least the same reasons.

Referring to claim 10, it would have not have been obvious to provide a foldable support apparatus for electronic instrument or device, wherein the support apparatus includes a body, a second unit rotatably connecting to the first unit, an auxiliary device rotatably connecting to the first unit, and a third unit having a first end and a second end connecting to said second unit and said auxiliary device, respectively. Claims 11-20 depend, either directly or indirectly, from claim 10 and are therefore allowed for at least the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
